

AI PRODUCT STAKEHOLDER AGREEMENT

Thank you for helping a student develop an AI Product around a real need. Complete and sign this form, or approve the same statements in an email reply.

STUDENT AND PROPOSED PRODUCT

Student name

Product title

Date of Product Brief

STAKEHOLDER INFORMATION

Name

Role / organization

Email

Relationship to the student (check all that apply)

☐ No prior personal relationship ☐ Professional / academic ☐ Supervisor ☐ Friend
☐ Family ☐ Other:

AGREEMENT Please check each statement.

- ☐ I received and reviewed the attached one-page AI Product Brief.
- ☐ I have a direct reason to care about the intended outcome and could use or benefit from a successful result or meaningful progress toward it. The work may be a prototype or another step toward something usable; my participation does not imply endorsement, adoption, purchase, partnership, contract, affiliation, or transfer of intellectual property.
- ☐ I agree to two approximately 30-minute reviews - one preliminary and one final - including a short presentation or demonstration, questions, and brief rubric feedback.
- ☐ I am not a Purdue student. (Purdue faculty and staff are permitted.)

VALIDATION AND PRIVACY Choose one.

- ☐ Institutional email: The address above is my university, company, government, nonprofit, church, school, or other institutional address.
- ☐ Personal email: The address above is personal. I will provide a short audio-recorded consent statement with my name, relationship to the student, particular interest in the product, and consent to participate.

Course staff may use this information to validate participation. Recording a review and displaying work publicly require separate permission and are not authorized by this agreement.
